1 PM – 3 PM	JACKSON COUNTY JEFFERSON DAVIS PERKINSTON	JACKSON COUNTY JEFFERSON DAVIS PERKINSTON	JACKSON COUNTY JEFFERSON DAVIS PERKINSTON	
6:30 PM – 9 PM	GEORGE COUNTY	GEORGE COUNTY		GEORGE COUNTY

INSTRUCTIONS:

- It is strongly encouraged to make the Criminal Background Check appointment with the MGCCC Campus Police at least 24 hours in advance
- Appointments outside of the scheduled days or hours may be honored for extenuating circumstances if approved by a Health Sciences Division Chair
- The fee is paid in the Business Office at the campus/center where the Criminal Background Check will be performed. Please check the Business Office operating hours ahead of time. The payment fee is \$65. Please visit the Health Sciences Division or website for additional information.
- Bring the Criminal Background Check payment receipt with you on the scheduled day to test. Prints will not be made without the proper payment receipt
- Bring a government issued photo ID for verification of identity. Prints will not be made without the proper photo ID
- Bring the completed, signed Fingerprint Information Form to expedite the data entry process. The form can be obtained in the HSD Department or printed from the webpage.
- Information regarding mailed print results and submitting test results for program admission can only be obtained in the HSD Department or webpage. Results will be mailed to the student's address by the State Department of Health. Campus Police/office workers are not privileged to test results.

MISSISSIPPI GULF COAST COMMUNITY COLLEGE

Criminal Background Check Procedure for All Health Sciences Division Programs

All MGCCC Health Sciences Division (HSD) pre and/or post professional students who have or will have 1 or more clinical components attached to their educational program will be required to meet clinical facility and state requirements for Criminal Background Checks (CBC) and fingerprinting with a “clear” or “acceptable/approved” result.

All HSD students are required to submit to CBC testing and fingerprinting at a MGCCC Campus Police Office which is located at the Jackson County Campus, Jefferson Davis Campus, Perkinston Campus or George County Center. The payment must be paid in advance at the Business Office at the campus or center scheduled for testing prior to the test. A paid receipt must be submitted to the Campus Police on the day of testing, prior to the test. The student is also required to read and sign the Informed Consent/Release for Criminal Background Investigation form prior to testing. Please contact Campus Police for specific testing hours and the appropriate identification required.

Once the criminal background check and fingerprint scanning has been completed by MGCCC Campus Police, the scanned fingerprints will automatically transmit to the MS Criminal Information Center (Department of Public Safety) and to the FBI for a national criminal history record check. Thereafter, the HSD Administrators will check each student’s information via a secure login and password through the Licensure/Criminal History Record Check Unit of the Mississippi State Department of Health Office. Following final processing, documented communication will include one of the following results: (1) clear, (2) processing, (3) need information, or (4) facility notified (Disqualified Event)/Rap Sheet report required.

Within 10 college business days after testing, HSD Administrators will print the student’s clearance letter on MGCCC letterhead, place it in a sealed envelope and forward it to the Campus Police Office where the prints were submitted for the student to pick up.

If a *disqualified event* letter is received, the student will receive this at his/her listed home address with an official “Rap Sheet” report from the State Department of Health. For program consideration, the clearance letter or non-clearance letter with original “Rap Sheet” **must be forwarded by the student** to the designated Health Sciences Division Chairperson who supervises the student’s healthcare program of interest on or before the program’s on or before orientation day.

Prior to the to the programs initial class meeting, the HSD Chairperson receiving the students background check, the HSD Administrative Clearance Committee will review the details of all letters and Rap Sheets that contain the phrase “*May have a disqualifying Event*” along with all other substantial documentation requested or submitted by the student and make a final committee decision on program acceptance. All decisions will be based upon “an identifiable violation(s) on the history described as pursuant to MS Code 43-11-13 that would prevent clinical attendance and/or licensure, if applicable.” Each student will be notified of the committee’s decision by a HSD DepartmentChair.

Please note that if a student has one (1) or more identifiable violations on the history described as pursuant to MS Code 43-11-13 that would prevent clinical attendance and/or licensure, if applicable, the decision will be made by the HSD Administrative Clearance Committee to **not** allow initial or continued admission or enrollment into a Health Sciences Division professional program at Mississippi Gulf Coast Community College. However, upon the completion of a legal expungement, the committee may revisit the decision.

Additional Information:

- Following completion of all criminal background checks, the information will be kept confidential and only shared with Program Administrators and clinical affiliates as needed.
- MGCCC students do not have to repeat the criminal history record check/fingerprinting as long as they are continuously enrolled at Mississippi Gulf Coast Community College.
- All Criminal Background Checks needed for admission into a healthcare program at MGCCC must be obtained from the Campus Police at Mississippi Gulf Coast Community College
- Please see the MGCCC College Directory for Campus Police contact information_ <https://www.mgccc.edu/police/>
